

**FTC, TCPA, Pre-Recorded Messages, Voicemails, Autodialing, and Robo Calls.** We have adopted and adhere to the policies described below to comply with the Federal Trade Commission's ("**FTC**") and Federal Communications Commission's ("**FCC**") regulations, Telephone Consumer Protection Act ("**TCPA**") 47 U.S.C. § 227, and if applicable, State do not call laws.

- 1) **Overview.** Our campaign utilizes a variety of methods to engage with current and potential voters. Some of these methods include using automatic phone dialers ("**autodialing**"), leaving pre-recorded text or voice messages, or using email.
- 2) **Express Consent.** The FTC and TCPA requires our Campaign to obtain prior express written consent before using autodialers for automated calls or voicemails. We must also provide clear caller identification and calling hours.
  - a) **Landlines.** Political campaign-related autodialed or prerecorded voice calls are permitted to be made to landline telephones without prior express consent.
- 3) **Opt-out.** By subscribing to our Campaign, or by contacting us via telephone, you are providing us express consent to give you periodic updates or alerts by automatic text message, voicemail, email, or phone call, even if your phone number is on any legal DNC (do not call) lists. To stop such communications, you must text "STOP" to any text-messages, dial "OPT OUT" of any phone call, or contact us at PatriotsSOAR@gmail.com.
- 4) **Records.** We are required to maintain all opt-out records as required by law as set forth by the FTC and the FCC.
- 5) **FCC information.** If you think you've received a political robocall or text that does not comply with the FCC's rules, you can file an informal complaint with the FCC at [fcc.gov/complaints](http://fcc.gov/complaints). If you are receiving texts that you didn't ask for, report the sender by forwarding the texts to 7726 (or "SPAM").
